Level 4

WorkKeys® is a national workforce development system that permits a direct comparison of the skills and levels of skills needed to perform a job with the skills and levels of skills an individual currently possesses. The National Career Readiness Certificate® reports an individual's Applied Mathematics, Locating Information, and Reading for Information skill levels in relation to the level of these skills needed in 65 percent of the jobs and occupations contained in ACT's WorkKeys database. The ACT job profile database now contains thousands of job profiles. The National Career Readiness Certificate® is only awarded to individuals who meet the performance criteria for at least a Level 4 across all three skill areas. Individuals who perform at a Level 4 have the following job proficiencies:

APPLIED MATHEMATICS
